Explanations & Stuffs

Hallo! This is the first chapter of Epic Warrior Randomness & Spoofs Yay and I'm gonna be explaining stuff before we start the chapter.

This is gonna be EXTREMELY random. If you don't like randomness and spoons, I suggest you turn away now.

I have not read Dawn of the Clans, so I won't be doing stuff like that. Also, the Last Hope is not "canon" in this fic; basically that means that any characters who have died in that book are alive here.

There may be some ships you do not like. For example, JayXStick, CinderXFire, and other ships will be referenced. If you don't like those ships, DEAL WITH IT. >:(

There will be spoilers in this *duh*.

I will be including some of my own OC's in this. I'll probably make a chapter that explains all my OC's, but not right now. Cuz I'm lazy. *IF YOU WANT YOUR OC(s) TO BE FEATURED IN THIS BOOK, JUST COMMENT THE DETAILS AND YOU WILL MOST LIKELY BE INCLUDED YAY*

As you're reading, a cupcake may fall out of the sky at any given moment. I suggest you wear a hat as you read, so the cupcake doesn't hurt you.

There will be many jokes and stuff, such as: Hollyleaf ranting about the warrior code; Crowfeather being annoying; Squirrelflight, Ashfur, and Lionblaze being crazy; Bluestar being Nyan Cat; etc. Some of these jokes might come off as offensive to people who like Hollyleaf/Crowfeather/etc. Sorry, but ya gotta deal with it, or not read this book.

I think that's all I'm gonna say. So, see ya in the first spoof xD

DISCLAIMER: I DON'T OWN WARRIORS OR ANY CHARACTERS EXCEPT MY OWN OC'S. ALL OTHER STUFF BELONGS TO ERIN HUNTER.

Squirrelflight's Cupcakes

Sandstorm: YO, I FOUND A CUPCAKE! *holds up a cupcake*

Squirrelflight: :O MY CUPCAKE *steals the cupcake*

Sandstorm: NUU, I WAS GONNA EAT IT D: *chases Squirrelflight*

Sandstorm runs into Hollyleaf

Hollyleaf: HEY! What's your problem? >:C

Sandstorm: Squirrelflight stole my cupcake!

Hollyleaf: WHAT? Stealing cupcakes is against the warrior code! GET HER *chases Squirrelflight*

Sandstorm: *Joins Hollyleaf in chasing*

Ashfur: *GASP* Squirrelflight has a cupcake! *also chases Squirrelflight*

Firestar: GET THE CUPCAKE *also chases*

Roseflight: Hello, cats of Wattpad! I wanna introduce you to my sister, Heathermouth!

a pale gray, long-furred she-cat comes in Hi

Roseflight: So, Heathermouth, tell us about yourself

Heathermouth: I'm Roseflight's sister, and I come from a Warriors spoof created by the person this is dedicated to. @**Rosehrulez** (aka the writer of this) did a name generator thing and I was the result :) I am MOSTLY sane, but, I might end up being crazier once I'm in more chapters xD

Roseflight: Well we can't wait for your first appearance in a crazy chapter! LET'S GIVE MY SISTER A PAW, EVERYBODY!!!

clapping

Squirrelflight Jokes

NOTE: I do not own Spongebob!

Heathermouth's First Comedy Show

Firestar: OK, everybody settle down. Welcome to the Komedy Klan! Now please give a warm welcome to our first comic, the indiscernible Graystripe. *walks off stage*

Graystripe: Good evening, folks. I'm going to skip the jokes and get right to the part where I throw pies at you. *gets a cart of pies*

ThunderClan: *puts on umbrellas*

PIES EVERYWHERE

Heathermouth: xD I hope I do as good as that guy.

Graystripe *Backstage* Man, those cats will laugh at anything. I got them all worked up for you.

Firestar: PUT YOUR PAWS TOGETHER FOR HEATHERMOUTH!

Heathermouth: Hey, hey, hey ladies and gentlecats, have you ever noticed salt shakers? I mean, you fill them up every night at closing, and I mean, where does it all go? Huh? You know what I mean?

Cricket: *chirp chirp*

Heathermouth: And tomatoes -- what's the deal on those things? Heh heh... I mean, you chop them up into slices, but...

Cricket: *not even chirping anymore*

Heathermouth: What are they, vegetables or...fruit? And what does that make? Ketchup?

Roseflight: Oh brother, she stinks!

ThunderClan: Boo!!!!!!!!!!!!!!!!!!!!!!!!!!

Ashfur: Hey, hey funny guy, I've got a joke for you! What smells rotten and puts kits to sleep?

Heathermouth: Umm, deathberries?

Ashfur: No! Your act!

ThunderClan: LOL xDD

Heathermouth: Um... *notices Squirrelflight in the crowd* Did you ever notice how big Squirrelflight's teeth are?

Ashfur: That's true.

Squirrelflight: Huh?

Heathermouth: I mean, hey, you could land a monster on those things. And what's up with all that Squirrelflight fur? I guess fleas need a home too.

ThunderClan: xDD

Heathermouth: And she SMELLS! But hey, you'd stink too if you spent three moons in Horseplace. ... Hey, why does it take more than one Squirrelflight to change a light bulb?

Cloudtail: WHYY? 8D

Heathermouth: Because, they're so darn stupid! *backstage* *Squirrelflight is there* Ohai Squirreh! :3

Squirrelflight: Hey, Heathermouth

Heathermouth: Did you enjoy the show?

Squirrelflight: Well, no. Those jokes are hurtful and you know it. :c

Squirrelflight: Hey, Heathermouth? Umm, I need to talk to you about them Squirrelflight jokes.

Heathermouth: We already talked about that, remember? *holds up the mirror* XDD

Squirrelflight: Heathermouth, this is serious. Since you've been telling them jokes, people have been treating me different.

Roseflight: Heathermouth, five minutes. *notices Squirrelflight* ...Hellooo, Squirrelflight. Me Roseflight! Do you under staaaaaand?

Squirrelflight: -_-

Roseflight: Squirrels *walks off*

Heathermouth: Uhh, hey, what about this thing! *takes out a rubber chicken*Huh? Huh?

Roseflight: OMG CHICKENLINA NO! *faints*

Heathermouth: *puts on squirrel outfit* HOWDY YAAAAWL!!! Y DOES IT TAKE MORE THAN ONE SQUIRRELFLIGHT TO SCREW IN A LIGHT BULB?

ThunderClan (except for Roseflight, who's KO'd, and Jayfeather, who's treating Roseflight): BECAUSE THEY'RE SO DARN STUPID!!

Squirrelflight: DIE! *attacks Heathermouth*

Heathermouth: X_X *dead*

In StarClan

Bluestar: This can't happen!

Heathermouth: I know right! I have to do a new act in a week!

Bluestar: I'll revive you on one condition. NO MORE SQUIRRELFLIGHT JOKES.

Heathermouth: Okay :(*is revived* :D

Heathermouth's Third Comedy Show

Heathermouth: Thank you, thank you very much. Well, y'know, last week I ran into Squirrelflight. And I said, 'Hey, why don't you go get a couple of squirrel friends and we'll go change a light bulb.'

Everybody: LOL

Heathermouth: But seriously folks, the only thing dumber than Squirrelflight... is HEATHERMOUTH! I mean, we're so dumb, we have HEATHER in our MOUTHS *puts heather in her mouth* WHEEEEEEEEE :D

Roseflight: That's true xD

Heathermouth: Leaders? Oh brother. They're so lame, THEY'RE NOT EVEN DINOSAURS

Blackstar: It's POLYdactyl -.-

Onestar: Come on dude, don't you have a sense of humor? xD

Heathermouth: Now let me tell you about those RiverClan cats? Boy are they smelly. I mean how can a creature that spends so much time in the water smell so bad? I mean REALLY? *imitates a fish* Soap...soap...what is...soap?

Everybody: LOL

AND THEY ALL LIVED HAPPILY EVER AFTER

Again, I don't own Spongebob's "Squirrel Jokes" This is just a spoof/parody thingy :3

Sparkspeed: You're both wrong! She's a werewolf!

Roseflight: OH MY GOSH MY FRIEND IS A ZOMBOSTEREWOLF!!!

Moonpaw: It's just something that happens on the full moon. And the eye thing happens on half-moons too. Other than that, it doesn't really have an affect on me...

Moonpaw: xD

Roseflight: Cool! *also jumps in the pool*

Jayfeather: Is anybody going to question where Sparkspeed got a pool of white paint...?

Firestar: HEY KITS! DO YOU KNOW A CAT THAT GETS ON YOUR NERVES? :D

Firestar: Then get TIGERSTAR-B-GONE! Here's how it works! :3 *sprays Tigerstar-B-Gone! on Tigerstar*

Tigerstar: What the heck nuuuuuuuuuu--*his nuu-ing turns into mouse-like squeaks* Ee! ..Mew! o.o Mew! *is a tiny furry kitten* Halp!

Lionblaze: *still exploding and not being affected*

Dragonsoul: I know! LIONBLAZE-B-GONE! *sprays can on Lionblaze*

Lionblaze: o_o No! *shrinks down to an adorable orange kitten* Meww! MEW!

Dragonsoul: IT'S. SO. TINY!!!! I promise I won't eat you. You're too fluffy. BUT I might step on you.

Lionblaze: *mortified*

Moonpaw: Hey guys!

Roseflight: Hey, Moonpaw!

Moonpaw: How about we keep him as our pet? I even have a little house! *holds up a dollhouse of sorts, kind of like those ZhuZhu Pets things they used to sell* It even has working electricity and running water! :3

Frostwhisker: DO IT! We can even make him do whatever we tell him! *evil laugh*

Roseflight: Okay! It'll be fun having him as a pet. I'll call him Lionfluffeh!

Frostwhisker: *Wonderful! The plan is working...* Now let's get Lionfluffeh into his new home!

Roseflight: Okay! :D

Lionfluffeh: o_o help

WARRIORS HAS TALENT: Part 7!

Roseflight: Hi and welcome to warriors has talent bla bla bla this is getting old LET'S GET RID OF BREEZEPELT AND DUSTPELT!

Dustpelt: Fudge *explodes*

Breezepelt: Nuu! I'm too sexy to explode! *explode*

Roseflight: I'm gonna be judging this episode by myself since only 2 contestants are left. Bring in Squirrelflight!

Squirrelflight: >:3 *sings If Elsa Were The Villain* (Search it on YouTube. It is a truly amazing song. Minor language, but amazing nonetheless)

Roseflight: ... o.o Wow... *hugs Lionfluffeh*

Lionfluffeh: Mew! :3

Roseflight: I was talking with Firestar and Graystripe the other day and apparently their new invention is AMAZING! Let's check it out!

Graystripe: *Holds a transparent box with a funnel on top* Behold, the Nyan-maker!

Firestar: All you gots to do is take some Bluestar DNA *puts one of Bluestar's hairs in the funnel* And a strawberry poptart *puts a poptart in the funnel*

Nyan-maker: *does MAGIC*

a tiny Nyankitten appears in the box

Nyankitten: Nya~! ^w^

Roseflight: Aw it's adorable! :D Can I have that one?

Firestar: Sure!

Nyankitten: *comes out through the funnel* Nyanyanya~ *flies to Roseflight*

Roseflight: You'll make the perfect friend for Lionfluffeh!

Lionfluffeh: Meow! :D

Nyankitten: Nyan! :D

Tigerstar: I don't like Nyan Cats -_-

Graystripe: And now, ladies and gentlecats, a public presentation of Tigerstar being murdered. *gets out a knife*

Roseflight: *covers Lionfluffeh's and Nyankitten's eyes*

...

Well... our contestants are

SQUIRRELFLIGHT

FIRESTAR, GRAYSTRIPE, AND TIGERSTAR

Choose the one you want to get kicked out. Remember, THIS IS BIG! These are the final two! Choose wisely... Until next time! Bye guys!

Nyankitten: Nya!

WARRIORS HAS TALENT: Finally!

Roseflight: Hello, everyone! Welcome to the finally of Warriors Has Talent! :D

Moonpaw: You mean finale.

Roseflight: No, finally. Because this show is FINALLY ending.

Heathermouth: *facepaw*

Moonpaw: Let's look at what place everybody made! Remember: Rank is determined from the order they were eliminated.

Roseflight: That's right! Let's do this:

TENTH PLACE: Random Cat! He's stupid, and he literally DID NOTHING for his act -_- He was the first to leave, thank StarClan

NINTH PLACE: Leafpool and Crowfeather! Their acting sucks -_-

EIGHTH PLACE: Harrykit! He was eliminated at the same time as Leafpool and Crowfeather, but I think he deserved the higher place. He was a good kit, except he kept exploding too much.

SEVENTH PLACE: Leopardstar! She just... no.

SIXTH PLACE: Cinderheart! She nyans too much. Also, Lionblaze likes her.

FIFTH PLACE: Lionblaze! HE BROKE MY FLIPPING HEART!!! The only reason he made the top five was because everyone else was worse than him.

Lionfluffeh: Meow :(

Roseflight: **FOURTH PLACE: Dustpelt! His derpiness brought him up to be great, but not great enough.**

THIRD PLACE: Breezepelt! He's sexy *cough*SELF-PROCLAIMED*cough*, but apparently, not to everyone else

SECOND PLACE: Squirrelflight! She has an amazing singing voice that almost brought her to the top!

AND NOW, THE MOMENT WE'VE ALL BEEN WAITING FOR... Lionfluffeh, drumroll plz!

Lionfluffeh: *taps his tiny paws to try and make drum noises*

Roseflight: **FIRESTAR, GRAYSTRIPE, AND TIGERSTAR have won the competition! Their good singing, amazing inventions, and spectacular public presentations of Tigerstar being murdered have brought them up to first place! Let's give them a paw!**

Lionfluffeh: *hides his feet*

Moonpaw: Don't worry, she just means applause.

Everybody is clapping

Heathermouth: Thanks for joining us on Warriors Has Talent! Maybe we'll have a second season soon *that tongue twisting tho* but for now, GOODNIGHT EVERYBODY! :D

Big Spoiler Six

Sparkspeed: *running* LALALLALALALALALALALALAAAAAA!!! >.<

Ashfur: *chases her* Come back here! *shouting things about the movie*

Sparkspeed: EW EW, SPOILERS SPOILERS SPOILERS!!!

Roseflight: *stops Sparkspeed* What's going on?!

Sparkspeed: Ashfur's trying to spoil Big Hero 6!

Ashfur: Hehehe... >:3

Roseflight: *rolls eyes *What's there to spoil anyway? It's just a genetically modified pile of pillows with a stress ball as a head

Sparkspeed: THAT'S NOT WHAT IT IS AT ALL!

Ashfur: It's a balloon :3 And a doctor superhero

Roseflight: That's the lamest idea for a superhero I've ever heard -.-

Based on real life. Someone was trying to spoil BH6 for Sparkspeed, I cracked a joke on "genetically modified pile of pillows with a stress ball as a head", Sparkspeed corrected me, and I commented that a doctor superhero was the lamest thing I've ever heard of. The only difference is that the person who was spoiling wasn't with us at the time. And, obviously, it wasn't Ashfur. o3o

Reading Class o3o

Teacher: Okay, so, take that drama, and turn it into a short story in one of the characters' point of view. Okay? Good. :3

Sparkspeed: *partners with Dirtface* Okay, so, the apprentice is looking out the window-thing in the Twoleg nest, so let's write it through his eyes and tell what he sees.

Dirtface: Yeah! Let's be all "OOH LOOK AT THAT BIRDY, LOOK AT THAT BEAUTIFUL BIRDYYYY"

Sparkspeed: *stabs Dirtface with a pencil*

Dirtface: OWWW D8

Roseflight: xDD Sparkspeed!

Dirtface: *reaches paw out* IT'S A TURTLE. A FLYING TURTLE.

Sparkspeed: *continues stabbing Dirtface with a pencil*

Dirtface: Nuuu D:

Roseflight: He's weird

Sparkspeed: ikr

This really happened xD We had that assignment, and had to read that drama (of course, a child instead of an apprentice), and Dirtface is a real person xD After these events happened, Sparkspeed and I decided to give him that name. And she really stabbed him with a pencil. In the arm, though. Not hard enough to injure him, but hard enough to hurt. SO yah o3o

Meet Fireblaze!

Today's newcomer is a golden she-cat with white ear tips, paws, and chest

Roseflight: Hallo!

Cat: Hi. My name's Fireblaze.

Sparkspeed: Great! Wanna join the Roseflight Club of Awesome?

Roseflight: I thought of the name.

Moonpaw: Our motto is, "Everybody is welcome! Except for if you're not awesome. If you're not awesome, then get the friskets out of here!" I thought of the motto.

Heathermouth: You have to pass a quiz before you can join.

Fireblaze: Derp. okay. :3

Frostwhisker: QUESTION ONE: Are you now or have you ever been alive?

Fireblaze: I believe so.

Shaggyfur: QUESTION TWO: Are you currently awesome?

Fireblaze: Yeah, duh!

Roseflight: QUESTION THREE: Are you derpy?

Fireblaze: Only the derpiest! :3

Heathermouth: You seem like a good cat. Now all you have to do is the initiation! :D

Fireblaze: Seems easy enough.

Shaggyfur: First, put on this blindfold *gives Fireblaze a blindfold*

Fireblaze: Um, okay. *puts it on*

Sparkspeed: Now I shall tie you to this chair. *ties Fireblaze to a chair*

Fireblaze: Okay...

Dragonsoul: FISHSLAP! *repeatedly slaps Fireblaze with a fish*

Fireblaze: ow ow ow ow ow ow

Dragonsoul: *takes Fireblaze's blindfold off and unties her*

Fireblaze: Did I pass? :D

Roseflight: You sure did! WELCOME TO THE CLUB :D

Fireblaze: Awesome! Now let's do cool stuff together!

Dragonsoul: Okay! *turns into a dragon and everyone gets on her* *flies off* I BELIEVE I CAN FLYYYYYY

Roseflight: Let's try to do a freeze-frame thing again!

Dragonsoul: Okay! *stops flapping her wings*

Everybody: *poses* FRIENDS! :D

they start to fall due to Dragonsoul not flapping her wings to keep them in the air

Roseflight: Dang it, it STILL didn't work!

Fireblaze: Is this sort of thing normal?

Moonpaw: Depends on what you mean by normal. This happens a lot.

Fireblaze: ...I LOVE THIS CLUB

Warriors Parody Frozen!

The cats of the Clans try to perform songs from the beloved movie "Frozen". However, they fail horribly! :D

DO YOU WANNA BUILD A SNOWMAN?

Tawnypelt: *Do you wanna build a snow-Nyan?*

Tigerstar: What's a hall?

Tawnypelt: *I think some company is overdue*

Because I know you

Talk to your Barbie dolls!

Tigerstar: WHO TOLD YOU?

Shaggyfur: *raises paw* Guilty as charged.

FOR THE FIRST TIME IN FOREVER

Roseflight: *Tonight imagine me, pelt and all*

The picture of sophisticated grace

I suddenly see him standing there

Shaggyfur: Well let's hear it.

Moonpaw: *singing to the tune of Let It Go*

Broken

Roseflight: Hey Moonpaw, did you know Yellowfang named Brokenstar after his broken tail?

Moonpaw: No, she named him after her broken heart when she gave him away.

Yellowfang: *appears out of nowhere* You are both wrong.

Roseflight and Moonpaw: Huh?

Yellowfang: I named him after his broken sanity.

Brokenstar: MWAHAHA I'M A FLYING HAMSTER *turns into a burrito*

Yellowfang: Uh...

Brokenstar: *explodes*

Moonpaw: He's weird

Yellowfang: I know

Me Before My Birthday

Hey guys... it's Roseflight. It's currently 11PM. In an hour it's gonna be my birthday, yay! Pretty excited. I'm just gonna talk about stuff til midnight. Once it's midnight, and therefore the 25th, I'm gonna press the "save & publish" button.

Hey, did you know the & is called an ampersand? It also looks like a guy scooting his butt across the floor. I'm gonna be random for this hour!

I'm watching videos on YouTube. Fun. I'm watching a video on how cats communicate. Even though I, Roseflight, am a cat, so I know perfectly how I communicate.

Speaking of videos, I just watched a video on exotic pets. Did you know that some people have pet wallaroos? It's a combination of a wallaby and a kangaroo, and it sounds adorable!

I have a corndog with me. I'm gonna eat the corndog at midnight. It's gonna be like how they drop the New Year ball in New York. Except I'm gonna be dropping the Birthday corndog in my stomach. Fun! :D

I'm going out to eat for my birthday. Maybe I can convince my parents to go to an ice cream place afterwards. Then, I'll have ice cream, and a SPOON! :D

Fun fact about cats: Well, not really fun. Cats ARE capable of performing commands, they just ignore said commands. Scumbag kittypets >:(

My grandma once had a cat that used the toilet! It wasn't even trained or anything! It's amazing how awesome cats can be. But no kittypet can be as awesome as ME :D Don't ask how my grandma can own a cat. Maybe she was a Twoleg. lol

It's 11:22 ..It would be cool if it were 11:22:33. Or even

11:22:33:44:55:66:77:88:99:1010:1111:1212:1313:1414:1515:1616:1717:1

Dang it, it's 11:23 now. :(

I wonder what it would be like if I tried to EXPLAIN a color to you, with just words.

Okay so, have you heard about green? It's like blue! Except it's more yellow... but it has a bit darker feel to it. Well, green. It's the new thing, man. Green is the new green.

JELLO AND CANDLES MAKE BARBEQUE SAUCE :D

Sorry. I'm watching very random videos, so it may rub off on me. Ah, who am i kidding? It's already rubbed off on me!

I just realized. How could Peter Piper have picked a peck of pickled peppers? Pickled peppers don't grow. You have to pickle them yourself. So in reality, Peter Piper just picked a peck of peppers. A peck of peppers Peter Piper picked. o3o

Hollyblaze: I guess that's fine.

Dragonsoul: Do you want me to do the initiation? *grabs a fish*

Hollyblaze: Maybe later. But I know how you can look at the best moments you've ever had! :D BEHOLD *holds up a tape* THE AWESOMENESS COMPILATION OF AWESOMENESS! :D

Fireblaze: AWESOME! :D

Lionfluffeh: Both of you stole my suffix! D:

Shaggyfur: Shush it, fluff.
~~~~~~~~~~~~

Lionfluffeh: :(

Frostwhisker: Well let's watch the thing!

Hollyblaze: OKAY *inserts it into a VCR* Why do you guys have a VCR?

Roseflight: Dunno.

~~~ Any words that appear in italics are words that appear "on-screen"~~~

THE AWESOMENESS COMPILATION OF AWESOMENESS

Roseflight, once known as Roseheart, had a plan.

That plan involved spoons and awesomness.

It started when she and her sister Heathermouth met the awesome cat known as Sparkspeed

Sparkspeed: YOU'RE AWESOME! :D

Roseflight: You're not bad yourself, cat!

Sparkspeed: Call me Sparkspeed! :3

Roseflight: Awesome name! I'm Roseflight

Sparkspeed: You're awesome too!

Both: BESTIES

Roseflight knew that this cat known as Sparkspeed would be totally awesome. But that didn't stop there...

The next day, or at least the next spoof, an old friend, Moonpaw, had joined her adventures.

Roseflight: So this is Heathermouth and Sparkspeed! You two, this is Moonpaw.

Heathermouth: Hai! :3
~~~

Sparkspeed: Ohai there! :D

Moonpaw: Hello. :D

Roseflight: WANNA FREEZE FRAME?

Everybody: YEAH!

after their attempt and failiure

Roseflight: AWESOMENESS :D

The four of them decided to do a talent show. During said talent show, they met Frostwhisker, the love of Roseflight's life...

Roseflight: Hai, purrty deaf cat

Frostwhisker: Hai, and I can hear just fine :3

Roseflight: You're kewl

Frostwhisker: I know

Roseflight: ♥

And a couple days later, Shaggyfur, whom Roseflight had known for a while, joined the awesomeness.

Shaggyfur: Derp *holds a spoon*

Roseflight: SPOOOOOOOOOOOOOON *runs into Shaggyfur*

Shaggyfur: Spoons rule!

Roseflight: Yeah! :D

And some time later, they invented the Roseflight Club of Awesome.

Some cats proved to be too unkewl to join...

Tigerstar: Never become a Tiggypoo. :(

Some were too freaked out by their awesomeness...

Ravenpaw: AAAAAAAAAAAAAH!!!!!! *throws a chair at Roseflight and runs away*

Roseflight: Spoons!

Only the awesomest, randomness cats... or dragons... could survive.

Dragonsoul: I ROCK, FISH-SLAP *slaps Roseflight with a fish*

Roseflight: YOU ROCK :D

Fireblaze: I'm derpy and awesome B)

Moonpaw: Welcome to the club!

And through all their pranks, catmint-highs, and et cetera...

They remain the awesomest kittehs ever.

THE END

~~~~~~~~~~~~~~~~~~~~~~~~~~

Moonpaw: THAT WAS AWESOME :D

Dragonsoul: WE'RE AWESOME

Hollyblaze: YES YOU ARE

Roseflight: I can't believe we went through all this together! *hugs Frostwhisker*

Shaggyfur: We're the epicalest cats in the world!

Hollyblaze: We could make our own Clan if we wanted to!

Frostwhisker: *still being hugged* Let's do that!

Derpystar: Or you can join St00pidClan :3

Dragonsoul: NO *fish-slaps Derpystar*

Now I'm gonna start doing this thing called Q&C, or Question &
~~~~~~~~~~~~~~~~~~~~~~~~~~

Comment. So you can comment and I can see your opinions and stuff. Or I might give you a little quiz of sorts. Like this:

TODAY'S Q&C: While writing this, I made a typo. But that typo was so hilarious, I kept it in. Can you find the typo? Hint: The typo is in one of the character's names.

Awesome Cats Spy on St00pidClan Part 1 - St00pidClan Allegiances

And thus, the spying begins...

Derpystar: Hello, Burntpancake. :3

Burntpancake: Hi, Derpystar.

Derpystar: Did you send out the muffin patrols?

Heathermouth: I supposed it WOULD be the right thing to do...

Shaggyfur: I gots the perfect plan! Come closer *they all huddle and Shaggyfur starts whispering*

Roseflight: And thus, Shaggyfur told the kewl cats her plan and they set off to rescue the prisoners!

Sparkspeed: What are ya, the narrator?

Roseflight: Yes.

Q&C: I know this is the first time you see the St00pidClan cats, and I didn't show you all of them, but, who's your favorite St00pidClan cat so far? (Bob doesn't count)

Awesome Cats Spy on St00pidClan Part 3 - The Attack

Moonpaw: Yeah, awesome! :D

Bob: Moo!

Heathermouth: I've looked around the territory, and it seems like a great place to find foods! :D You won't BELIEVE how great the native muffins taste :p *licks lips*

And it looks like, it is me

The wind is howling like this hungry storm insiiiiide

Couldn't keep it in, StarClan knows I've tried

Don't let them in, don't let them see

Be the good cat you've always had to be

Conceal, don't feel, don't let them knoooow

Well now they know!

Can't hold it back anymore

The cookies

The cookiiiiiies

Turn away and bake some more!

IIIII dooooon't caare what they're going to say!

Let the snacks rage onnn

The boom never bothered me anyway

It's funny how some cookies

Make everything seem small

And the hunger that once controlled me

Can't get to me at all!

It's time to see what I can do

To test the 'splosions and break through!

No right, no wrong, no rules for me!

COOKIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIIES!!!!

The cookies

The cookies

I am one with the exploding skyyyyy

The cookies

The cookies

You'll never see me hide

Here I stand!

And here I'll stay!

Let the snacks rage ooooon

My explosions flurry from the air into the ground!

My soul is spiraling in chocolate fractals all around!

And one thought crystallizes like a dough-y blast!

I'm never going back

The past is in the paaaaaaaast!

The cookies!

The cookies

And I rise like the break of boooomb

The cookies

The cookies

That perfect cat is gone!

Here I stand

In the light of day!

Let the snacks rage ooooooooon!

The boom never bothered me anyways.

Fireblaze: So, what you're saying is... You kablowed the apprentices den, cuz you thought Moonpaw had cookies?

Cat: Exactly!

Moonpaw: How did you know?

Cat: I have excellent cookie tracking skills.

Moonpaw: Well, okay. *gives the cat a cookie*

Shaggyfur: *reading aloud from a children's book* **If you give a cat a cookie....**

Roseheart: *looks over at the book* **....She'll want some explosions to go with it!**

Cat: *gets out the dynamite*

Silverstar: No!

Cat: Yes!

KABLOW!

Shaggyfur: *still reading* **When she explodes the camp, then she'll want to join the Clan.**

Cat: Can I join AwesomeClan?

Shaggyfur: **The leader will say yes.**

Silverstar: Yes.

Cat: Yay!

Roseflight: Is that book magic or something?

Shaggyfur: *shrug* Dunno

Silverstar: From now on, you shall be known as Frozenpaw, after your amazing Let It Go parody.

Moonpaw: Yay, I have a denmate! :D

HOLLYLEAF: COMMENT "NYAN"

DOVEWING: COMMENT "CHEESE"

JAYFEATHER: COMMENT "burp" (He just gets a burp because he's cliche xD)

Dragonsoul's Guide to Fish-Slapping

Dragonsoul: Okay class, SIT DOWN!

Everybody else: *in small school chairs* yus ma'am ;-;

Dragonsoul: SO! Today me shall-eth be teaching you guysh about teh slapping of teh fishes. And I'll begin with, HISTORY!

Everybody else: *groan*

Dragonsoul: Fish-slapping was invented by Sir Stevey Steve McSteverson the Steventh, Steve of the Steves in the kingdom of Stevia (located in what is now modern-day Steveton, Steverland) in steveteen stevety-steve. So, Stevey-Dude, which I will be calling him from now on, had a fish. Its name was Feeshy McSlapslap. He called him that because he was the world's first SLAPPING FISH! :D

Moonpaw: *raises paw* What's a slapping fish? Is it like a species, or...?

Dragonsoul: Technically, a slapping fish can be almost any species of fish, but animal scientists and shtuff are working on breeding a species of fish specifically for slapping. Moving on~ In honor of Feeshy McSlapslap, Stevey-Dude created a method of communication using different ways of fishy-slapping and shtuff. He called it *writes it on the blackboard* ***TEH METHOD OF COMMUNICATION USING DIFFERENT WAYS OF FISHY-SLAPPING AND SHTUFF.*** :D

Everybody else: *looks at her bewildered*

Dragonsoul: This was before the word "language" was invented.

Everybody else: Ohh

Dragonsoul: And slapping someone in different ways means

different things. For example, a slap in teh face be-eth a symbol of affection and friendship. A slap on the tail can mean rivalry, hatred, or the like.

Roseflight: *slaps Frostwhisker on the tail with a fish* Forkwhisker

Frostwhisker: *slaps Roseflight on the tail with a fish* Spoonsflight

Frozenpaw: *facefish*

Dragonsoul: Thank you for demonstrating the face-fish, Frozenpaw. Teh Face-fish is like a facepalm, except it be-eth FISHIER!! :D So now you know a bit more about fishies and slapping. See ya tomorrow!

Everybody: *races out of the room*

Dragonsoul: Oh... :/

FISH-SLAP! *slaps you with a fish*

Moonpaw: DON'T BE SO MEAN TO THE FOURTH WALL ;〜;

Q&C: Today, instead of a Q&C, I'm starting a new thing!

25 Ways to Get Kicked Out of BloodClan

Hi! It's Roseh :3 So, like, 4 weeks ago, I was in @firestar4ever's "25 Ways to Get Kicked Out of ___Clan" contest. And I WON! :D So, I decided to post my list here. :D Here we go:

25 WAYS TO GET KICKED OUT OF BLOODCLAN

Dress Scourge up as Princess Celestia and refer to him as such for the rest of his life.

Get Bone addicted to Reeses cups.

Declare war on grasshoppers.

Say "Due to the lack of prey, we shall eat GLITTER!" and make everyone eat nothing but glitter.

Refer to Ice and Snake as their kittypet names, Jumper and Hoot. For even more fun, mix up the names. (ie. Call Jumper "Hoot" and Hoot "Jumper")

Tell Barley to "Come to the Dark Side; we have glitter!"

Dress everyone up as My Little Pony characters while they're asleep. Remember to dress Scourge up as Princess Celestia.

Sing "Space Unicorn" repeatedly until it gets stuck in everyone's head.

Convince Ice that he IS the Space Unicorn.

Confuse the Clan into declaring war on themselves.

Rebel against BloodClan, stating there isn't enough purple glitter.

Tell everyone that you're the medicine cat. Heal cuts and scars with

glitter glue.

Cover Bone in glitter and girly stuff until he farts lavender-scented perfume for the rest of his life.

Take over your Clan, stating that Scourge is "just too ugly" to be leader.

Dress Scourge as a lady and call her Madame Buttermilk.

Have a "Corn Dog Party". Dip everyone in mustard.

Send robot Tigerstars into the camp.

Paint your WHOLE MOUTH purple. Ask cats "Is there something in my teeth?" and open your mouth. Afterwards, paint their mouth purple, too!

Convince them that llamas are nature's greatest warriors, and create an army of llamas. Start the alpaca-lypse.

Use your "psychic powers" to make Scourge think he is Princess Celestia of CorndogUnicornClan.

Destroy everyone and everything with a giant baby robot with lazer eyes.

Tell Bone, "Y u so stupiiiiid?" Never stop.

Rename BloodClan "Team Pinkbutt" and paint everyone's backsides pink.

Become Cinderella. Befriend mice and birds.

Spontaneously combust whenever someone tries to talk to you.

Q&C: Would you do these? xD

Advice With the Clans: Clan-Leading Advice with Firestar

Firestar: Yes, we are still doing this 'series'! :D

Ashfur: They barely knew it was a series because my installment was the only one.

Firestar: I AM FIRESTAR. YOU DO NOT DEFY ME.

@Rosehrulez: Okay, I see why Ashfur wanted to kill him. ...I still hate him though.

Firestar: Okay, so! Here is a list of things to do if you wanna be the awesomest leader, but you'll never be as awesome as me, because I'm SPESHUL!

Ashfur: Speshul needs?

Firestar: SHUT UP *releases a dragon to eat ashfur*

Dragonsoul: *was the dragon* *eats Ashfur* *looks at the screen* You know THREE of the AwesomeClan cats had to make a cameo, right?

Moonpaw: *taped to the wall with mouth taped shut* FFTH WMM! FFFTH WMM!!!!

Dragonsoul: She's the second one.

Firestar: So here's the list:

LIST OF THINGS TO DO TO BE THE BEST LEADER EVER

1: Be a kittypet. If nobody likes you because you're an outsider and bringing you in was against everything they stand for, they're a villain and will be your rival for the whole series.

This way you can tell evil from good cats.

2: Invite other kittypets to the Clan. More mouths to feed will definitely help your Clan in the struggles of Leafbare.

3: Get in other Clans' business. Nobody will think you're power-hungry, nobody will hate you for stealing the spotlight, and it's not against the warrior code at all!

4: Add a new rule to the warrior code that makes #3 legal.

5: Steal the spotlight. Everybody will love you and not think you're obnoxious.

6: Break the warrior code whenever possible while you're still a warrior (examples: leave territory without permission, enter other clans' territory, visit your kittypet sister all the time) You'll have higher chances of becoming deputy, and then leader, because you're SPESHUL!

And most importantly,

7: BE A MARY SUE! Everybody will love you, will not think you're obnoxious, and not say "praise starclan!" when you die in the final book.

Oh, and also

8: End the series when you die. Without you in the spotlight, there's no need to continue writing books.

Roseflight: EVERYBODY HATES YOU, FIRESTAR -_-

Dragonsoul: You know Roseflight has to be in every chapter; she's the star!

Roseflight: Oh gosh, does that make me a mary-sue?

Dragonsoul: Maybe... :(

Roseflight: Fudge, I have to rethink my whole life now *goes to corner*

Firestar: see you next time on Advice with the Clans!

Q&C: Is Roseflight a mary-sue? :(

You Know What You Did

Roseflight: Hey, I bet ya I can freak Derpystar out

Fireblaze: Do it.

AT ST00PIDCLAN CAMP

Roseflight: *walks into le leaders den* Hey Derpystar

Derpystar: Yeah?

Roseflight: Well, I came here to tell you... WE CAN'T BE FRIENDS ANYMORE

Derpystar: Why not? D:

Roseflight: BECAUSE OF WHAT YOU DID TO ME

Derpystar: What did I do?

Roseflight: YOU KNOW WHAT YOU DID

Derpystar: What

Roseflight: YOU KNOW WHAT YOU DID

Derpystar: Tell me

Roseflight: I DON'T HAVE TO TELL YOU BECAUSE YOU KNOW WHAT YOU DID

Derpystar: Uh....

Roseflight: YOU KNOW WHAT YOU DID AND IT WAS BAD

Derpystar: I don't even--

Roseflight: YES YOU DID YOU KNOW WHAT YOU DID.

Derpystar: D:

Roseflight: YOU KNOW WHAT YOU DID AND I SHALL HATE YOU FOREVER FOR IT

Derpystar: BUT WHY DID I--

Roseflight: YOU KNOW WHAT YOU DID!!!!!!!!!

Derpystar: *screams and freaks out*

Q&C: What did Derpystar do?

BEWARE OF A SODA WHO SEEMS TO HAVE STOPPED FIZZING

Roseflight: I shall drink this rootbeer! *opens can of rootbeer*

Rootbeer: *fizzes so much it goes all over the top of the can*

Roseflight: *waits*.... I think it's stopped now. *tries to drink it*

Rootbeer: *fizzes so much some of it spills on the floor*

Note: TRUE STORY

Cat of the day: *A pink she-cat with rainbow spots all over*

Roseflight, Jewelsky, and Nightfrost: *just walking around, talking*

Roseflight: So how are you two liking it here in AwesomeClan?

Nightfrost: *defies logic and shrugs* It's a little too spoon-y, but aside from that it's great

Sherbetfluff: Something's going on back at camp!

Moonpaw: *shouting from camp* STOP BREAKING THE FOURTH WALL AND HELP US!

Roseflight: Okay then, let's hurry!

Q&C: What's happening back at camp?

Super Roseh-o World: Introduction

(STORYBOOK-ISH INTRODUCTION SEQUENCE TIME)

*Once upon a time Roseflight and her friends were derping around *scene from last spoof**
turn page
*Something insane happened and I left the last spoof on a cliffhanger to see if anyone would guess *previous spoof's Q&C* But no one got it right!*
*So here's the stuff. *turn page**

Tiggypoo and Bowser combined, to make....

*THE UGLIEST VILLAIN IN THE HISTORY OF EXISTENCE! *no picture provided; get creative on your own* *turn page**

*Tiggybowser kidnapped Frostwhisker, Ravenwing, Sparkfur, and Dragonsoul *pictures of the kittehs as Sprixies, trapped in jars*, and then he took then and flew away on an airship with his face on it! *him doing that* *turn page**
*Now let's see what our heroes are doing now... *close book**

Sherbetfluff: I doubt ANY game uses that kind of intro.

Roseflight: I DON'T CARE; I LIKED IT

Jewelsky: So what do we do about the kidnapped characters?

Cometsong: I say we go after 'em!

Jewelsky: What do you mean, Comet?

Cometsong: It's our chance! *ties a black ribbon around her head, does epic battle poses* Our chance to take a stand, fight for our Clan, and show 'em we can do it!

Roseflight: Nice speech, Pinky.

Wiigaming: But how would we even do it?

Roseflight: *flips through intro book* Oh! It says here that Tiggybowser took them to his castle, and the only way to get there ourselves is to go on a New Super Mario Brothers-esque quest! But how would that work?

Jewelsky: Oh, Roseh, I never did show you, did I? *a portal forms above her, showing random locations from The Thousand Year Door, Super Mario RPG, Gravity Falls, DHMIS, and other stuff* I have the ability to go to any game or other franchise I've had obsession phases over! :D Now, *scrolls through random places* Here! This should work. *world 1 from a random New Super Mario Bros game that probably doesn't even exist shows up*

Roseflight: Perfect!

Cometsong: So I'm going, Roseh's going, Jules is going... who else?

Wiigaming: Games are ma JAM! I'm totally gonna go! >:D

Nightfrost: I guess I'll go, too.

Sherbetfluff: Sure, why not?

Roseflight: And everybody else can defend the camp.

Everyone: Let's-a-go! *jumps in le portal*

they all appear in an empty room

Roseflight: Where are we now?

Jewelsky: This is the character selection screen! :D

costumes of various Mario characters appear

Nightfrost: Okay, then. *puts on Mario's costume* I'm-a-Nightio!

Wiigaming: *chooses Luigi* *in robotic voice* I'm-a-Luwiigi!

Sherbetfluff: I'll be Peachfluff *Peach*

Roseflight: *Daisy* HI I'M ROSEH

Jewelsky: *Rosalina* I'm Julesalina~

Cometsong: *rainbow Toad* And I shall be Comettoad! >8D

Jewelsky: This adventure will be a breeze. I'm a Nintendo-y girl; I know everything about this kind of stuff~

Roseflight: Epic! NOW WE SHALL HAVE AN EPICAL ADVENTURE AND SAVE OUR FRIENDS :D

IN THE NEXT FEW CHAPTERS! >:D #cliffhangerfail

Q&C: Which type of level are you most excited to see the spoof characters play? (Desert, water, ice, Yoshi, etc)

And for all two of you who've read Brawl in the Family, did you see my little reference? ;)

And for all fifty million of you who haven't read it, READ IT! IT'S EPIC

Super Roseh-o World: "Normal", First Stage

Roseflight: *runs into the level* AW YEAH! FIRST STAGE! IMMA ROCK THIS! I'M THE NINTENDO EXPERT *gets killed by the first Goomba*

Jewelsky: And what Nintendo games have you actually played aside from Pokemon?

Roseflight: *goes through the death animation*

Jewelsky: Exactly.

Roseflight comes back in a bubble

Roseflight: Meh. Not popping :P

Jewelsky: Wait a second... Roseh can you die again? *pops the bubble*

Roseflight: Uhh... sure...? *walks into the Goomba again* *the death animation and music is from Kirby*

Jewelsky: Why does it play the KIRBY music for you?

Roseflight: This is the world of obsession phases. I'm obsessed with Kirby. Kirby's soundtrack is epic.

Jewelsky: *defies logic and shrugs* Meh, that makes sense. Anyways, *jumps on the Goomba* ON THROUGH THE LEVEL~

the group derps through part of the level

Roseflight: So, Comet, what made you decide to be Toad?

Cometsong: Well, there aren't that many epical characters :P You took Daisy, Peach isn't all that great, Jules took Rosalina, and there aren't any other princesses of note

Jewelsky: Princess Eclair ;~;

Roseflight: She doesn't exist

Jewelsky: Your face doesn't exist -.-

Roseflight: ...

...

...

...

is suddenly without a face HOW COULD YOU TELL?! :O

Everyone else: o.o;

A FEW MINUTES LATER

Roseflight has her face and the previous moment is never brought up again

Sherbetfluff: Ohey a block. *stares at a ? block above her*

Jewelsky: Well then, break it. Maybe something interesting will happen.

Sherbetfluff: Okay! GIMME UNICORNS AND AWESOMENESS! *slams head into the block*

one coin falls out

Sherbetfluff: ...Okay then. I SHALL BUY ALL THE UNICORNS

Jewelsky: Actually, there isn't that much buying in these types of games. But you get a 1-Up every 100 coins, so that's a plus.

Roseflight: *is hitting one of those blocks that you hit repeatedly to get lots of coins* Only in the Mario world, CONCUSSIONS! FOR! CAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAASH!!!!!!!!!!

everyone derps around, killing Goombas and getting moneys

Wiigaming: Guys...?

Roseflight: Yeah?

Wiigaming: Weren't we supposed to be, y'know, clearing the stage?

Jewelsky: *looks up at the top of the screen*

Timer: *30 seconds*

Roseflight: ...Well crud

Jewelsky: Guys hurry up get in the pipe!

Cometsong: *derps into the pipe*

the screen goes black except for the pipe

they are at the last screen

Roseflight: IMMA GET THE TOP OF THE FLAG

Nightfrost: OH NO YOU DOESNT

Jewelsky: I SHALL WIN

*they all jump...

and land on the bottom of the flag*

Cometsong: SURPRISE VICTORY! *gets top of flag*

Sherbetfluff and Wiigaming: *are mid-jump right before the flag* CURSE YOU, FLAG TIME LIMITS!

Cometsong, Jewelsky, and Nightfrost: *do the Mario victory dance*

Roseflight: *doing the Kirby dance* TAKE THAT, MARIO! MY DANCE HAD BOUNCING AND MOONWALKING! YOU! ARE! **INFERIORRRRRRRRRRR**!!!!!!!!!!

Jewelsky: You're crazier than usual

Roseflight: I'm always this crazy. But most of the time it's about spoons. When the spoon is away... THE CRAZY SHALL PLAY!!!

Jewelsky: o.o; Okay then.

NOTE: Normally I would have Q&C's asking you what level should be done next. But it seems to be a trend in video games for the second world to always be a desert world, so that is what it shall be. Soyah

Q&C: Why pizza?

Super Roseh-o World: Desert Stage

Jewelsky: Now that we beat the tutorial level, it is time for us to go to the 砂漠 level! :D

Nightfrost: The what?

Jewelsky: I said desert

Nightfrost: Oh :P It sounded like "sabaku" or something

Roseblossom: She has a tendency to randomly say stuff in Japanese

Jewelsky: Japanese is superior over English and makes sense phonetically and is 素敵

Roseblossom: Translate

Jewelsky: "Lovely". Anyways, ON TO THE DESERT LEVEL～ *they all enter the level*

IN LE LEVEL

Jewelsky: Okay, so. First thing I should mention is that there are gonna be sandstorms, and they shall be slightly annoying, but it won't be too bad.

Roseflight: Yus ma'am

Jewelsky: Second of all, most of the enemies that we're gonna be encountering will be Pokeys. Pokeys do two things. 1: They take parts of their own body and throw them at you. They're covered in spikes, so avoid them. And 2: *giggle*...They move slow.

Roseflight: ALL ABOARD THE OBSCURE-YOUTUBE-REFERENCE-THAT-NOBODY-GETS EXPRESS! *runs around* CHOOCHOOOOOOO! *is picked up by a sandstorm* Crud :P

Cometsong: I'm gonna dig and avoid the sandstorms. *tries to dig, fails* *is hit by an enemy without noticing* *dies&dies*

Nightfrost: Hey guys, look! *hits a ? block and gets star powerups*

everybody gets a powerup *the star music plays for everyone except Roseh, who has the invincible candy music from Kirby*

Pokeys: *throwing body segments at everybody*

Sherbetfluff: Mwahaha! In this form, I am completely immune to your poke-y bodies! *power-up immediately wears off* *dies*

Roseflight: AWW LOOK AT THAT TINY POKEY *finds a Pokey with only two body segments* IT'S ADORABLE *runs up to it*

Everyone else: *advances through the level*

Roseflight: Aww you're so cute but you shouldn't be trying to walk like a human. You'd move a lot faster if you walked like a caterpillar *puts the Pokey on all fours.. or all....however many legs*

Pokey: *still moving slow, but a lot more adorably* :3

Roseflight: Aw you're such a cute pokeyy... You're such a cute, slow-moving Pokey... You don't need to move faster to make me love you, cuz I already do. You shall be my pet Pokey. I'll call you Spoonpokey. You rock, Spoonpokey

Pokey: :D

Jewelsky: ROSEH HURRY UP

Roseflight: NO! I WANNA STAY HERE FOREVER WITH MY ADORABLE SPOONPOKEY ;~;

Jewelsky: WELL HOW ABOUT YOU "MOVE FASTER" AND GET OVER HERE?

Roseflight: NO

Jewelsky: FINE *goes in the pipe*

the screen goes black

Roseflight: I'LL NEVER FORGET YOU, SPOONPOKEYYYYYYYYYY!!!!!!!

everybody gets on the top of the flag

Wiigaming: I wonder why the Pokeys are so slow...

Cometsong: Because they're slowpokes and it's in the name

Roseflight: Because they can't move faster

Jewelsky: Yes.

Roseflight: So what's the next level?

Jewelsky: You're making the Q&C's answer, aren't ya?

Roseflight: Oh yeah! *pulls up the Q&C*

Q&C: What type of level shall be done next? Yoshi, ice, sky, water, or something else that I forgot?

(And do you get the reference I was trying to make? Probably not. Only Jules and I know the things we reference :( )
